

Book reservation and lending

1. Log in to your library account (see tutorials for instructions).
2. Search for media in the Macromedia Library catalog.
3. Click "add to cart" (see the marker in the image to the right).
4. When you're done searching, click on the cart symbol in the main navigation (see the marker in the image to the right).

4)

The screenshots show the library catalog interface. The top screenshot displays search results for 'Design as future making' with 2 results. A pink arrow points to the 'Add to cart' button. The bottom screenshot shows the same search results, but with a pink arrow pointing to the cart icon in the top navigation bar.

...

» A popup will appear listing your selected books (see image to the right).

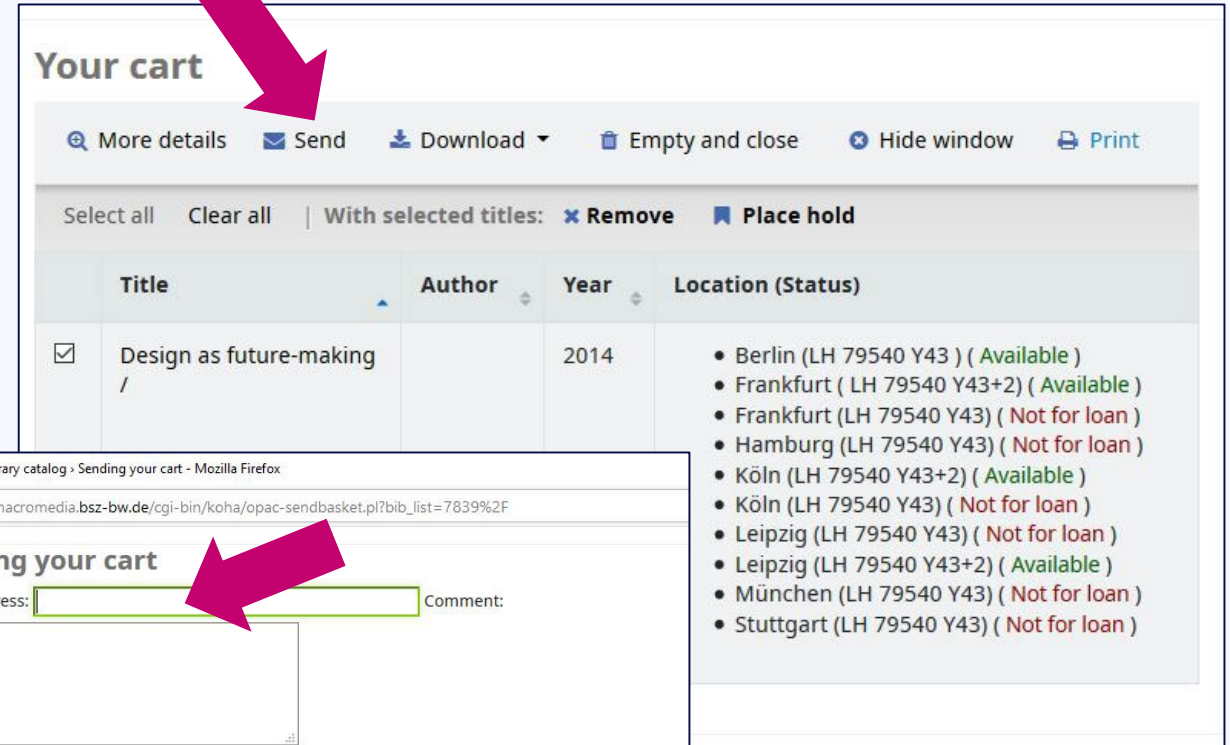

5. Click on "Send" (see marker in the image to the right).

6. Insert the email address of your local library (see marker in the image to the right).

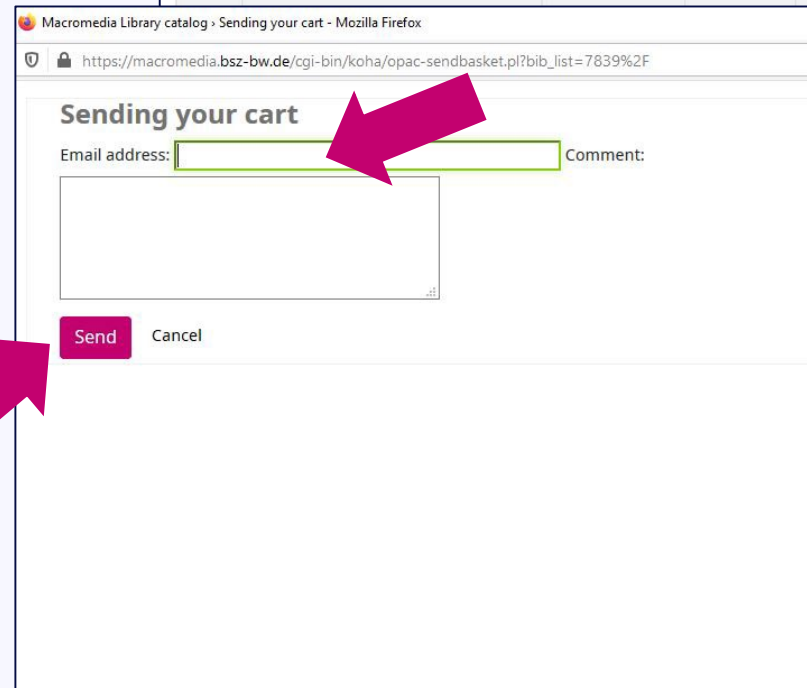

7. Click on "Send" to mail the order to your local library (see marker in the image to the right).

» The staff of the local library will then suggest an appointment for you to pick up the item.
